

Warren, Ohio – Congressman Tim Ryan (OH-17) announced today that almost 2,000 workers of Delphi Packard Electric Ohio Operations in Warren, Rootstown, Vienna, Howland, and Cortland were certified to receive important job training and placement assistance from the U. S. Department of Labor.

According to the report issued today:

“All workers of Delphi Packard Electrical/Electronic Architecture, a subsidiary of Delphi Corporation, including on-site leased workers from Bartech, Warren, Ohio (TA-W-70 324), Delphi Packard Electrical/Electronic Architecture, a subsidiary of Delphi Corporation, including on-site leased workers from Bartech, Rootstown, Ohio (TA-W-70 324A), Delphi Packard Electrical/Electronic Architecture, a subsidiary of Delphi Corporation, including on-site leased workers from Bartech, Vienna, Ohio (TA-W-70 324B), Delphi Packard Electrical/Electronic Architecture, a subsidiary of Delphi Corporation, including on-site leased workers from Bartech, Howland, Ohio (TA-W-70 324C), Delphi Packard Electrical/Electronic Architecture, a subsidiary of Delphi Corporation, including on-site leased workers from Bartech, Cortland, Ohio (TA-W-70 324D), who became totally or partially separated from employment on or after May 19, 2008, through two years from the date of certification, and all workers in the group threatened with total or partial separation from employment on the date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.”

“I’m proud that my efforts lobbying the Obama Administration and the efforts of local workers have paid off. These TAA benefits will help ensure that former Delphi employees receive the training and job placement assistance necessary for their success,” said Congressman Ryan.

* Trade Adjustment Assistance (TAA) and Alternative Trade Adjustment Assistance (ATAA) help trade-affected workers who have lost their jobs as a result of increased imports or shifts in production out of the United States. Certified individuals may be eligible to receive one or more program benefits and services depending on what is needed to return them to employment.
